[^0]:    *3 +: weak yen / - : strong yen

[^1]:    1 H (actual): 141 yen, 2 H (assumption): 140 yen

[^2]:    *1 The company implemented the stock split into 3 shares per share with the effective date of October 1 , 2023. The interim dividend for the fiscal year ending March 31, 2024, which has a dividend record date of September 30, 2023, is paid based on the shares before the stock split
    *2 Forecast for the full-year dividend per share is not presented because simple comparisons are not possible due to the implementation of the stock split. However, the forecast for the full-year dividend per share based on the pre-stock split is $¥ 24$ increase per share.

[^3]:    *1 Capital expenditures as well as Depreciation in Results and Forecast shown above exclude investment in operating leases, right-of-use assets, and intangible assets.
    *2 Research and development expenditures are research and development activity related costs incurred during the reporting period. In accordance with IFRS, a portion of research and development expenditures is recognized as an intangible asset and amortized over its estimated useful life. As such, this amount is not in conformity with
