Honda Pledges Support for Nepal Flash Flood Relief

TOKYO, Japan, September 10, 2026 – Honda would like to express its deepest sympathies and condolences to victims of the devastating flash flood that struck Nepal on August 26, 2026.

In response to this tragedy, Asian Honda Motor Co., Ltd., a Honda subsidiary located in Bangkok, Thailand, serving as the regional headquarters for Honda Asia and Oceania operations, donated US\$100,000 (15.5 million Japanese yen at 1 USD = 155 JPY) through the Thai Red Cross Society to support the ongoing disaster rescue, relief, and rehabilitation efforts in the affected areas.

Honda sincerely hopes for the earliest possible recovery of the affected areas and communities.
